

VALVE LUBE SEALANT BULK PACKAGING

Bulk Lube Sealant

Bulk lube sealant provides the following advantages:

- **Superior lubricity for reduced torque and valve operation**
- **Excellent sealing capability**
- **Val-Tex bulk lube sealants are available in varying viscosities**
- **Industry standard packaging**

Val-Tex bulk lube sealants are packaged to fit your existing equipment.

Bulk consistency is designated by the letter “S” in the part number. (ex. 80-S-10)
